

About the PGA Jr. League

PGA Jr. League brings friends, families and communities together through golf. **Open to boys and girls of all skill levels ages 8-14**, our PGA Jr. League program creates fun-filled, team golf experiences with expert coaching from our Coaches!

Kids will learn and play in a two-person, scramble format that fosters mentorship among teammates. **Players will also receive custom Home + Away Polos, Hat or Visor, Drawstring Bag, Stickers, Custom Bag Tag, and more.** Over the course of each season, we see our players grow in confidence, learn to work as a team and develop problem-solving skills.
